

Inspector Note to accompany EXR27-EXR29

I have written to the Council with a letter containing Post Special Hearing Advice – in respect of the Integrated Rail Plan and Proposed Allocation EG2-37 (EXR27).

The Council have responded to this as set out in a letter and email dated 22 July 2022 (EXR28 and EXR29).

I will be responding to the Council in due course.

To avoid any doubt, I am not inviting comments about the contents of the correspondence.
