IN4 Inspectors' SQ1.6 Supplementary Planning Documents

We understand that regulations under the Levelling-up and Regeneration Act 2023 will be laid in Parliament shortly and that these are likely to mean that local planning authorities will be unable to adopt new Supplementary Planning Documents under the Planning and Compulsory Purchase Act 2004 after 30 June 2026¹.

We note that a number of policies in the Plan refer to various Supplementary Planning Documents being updated.

The Council is requested to respond to this supplementary question by **Thursday 26 February 2026**.

SQ1.6. In addition to the modifications proposed in response to PQ14 (Appendix B) and set out in PM2, are any modifications required to the Plan having regard to the Government's stated intention that local planning authorities will be unable to adopt Supplementary Planning Documents after 30 June 2026?

Simon Dean William Fieldhouse
